**Note:** On-site Releases are from Section 5 of Form R. Off-site Releases are from Section 6 (transfers off-site to disposal) of Form R. Off-site Releases include metals and metal compounds transferred off-site for solidification/stabilization and for wastewater treatment, including to POTWs. Off-site Releases do not include transfers to disposal sent to other TRI Facilities that reported the amount as an on-site release.

\* One facility, CWM Chemicals Services in Model City, NY, submitted their reports too late to be included in the Toxic Release Inventory Public Data Release Report. Their total releases of 4,553,246 pounds have been included in this table.
